"Here," he said, "it's the keys to the two big cabinets, where I have my best furniture. These are for my silver and gold plate, which are not used every day. These open my safes, which contain my money, both gold and silver; these my coffins of jewellery. And this is the master key to all my apartments. But as for this little one here, it is the key to the closet at the end of the Great Hall on the ground floor. Open. All of them; they enter every and every one of them, except that little closet, which I provoke them, and forbid it so that, if you open it, you can expect my anger and resentment." She promised to observe, very exactly, whatever she ordered. Then, he, having embraced her, got into his coach and proceeded to his journey. Her neighbors and good friends didn't expect the newlywed lady. They were impatient to see all the rich furniture in their house, and they had not dared to come while their husband was there, because of their blue beard, which frightened them. They ran through all the rooms, closets and closets, which were so good and rich that they seemed to get over each other. After that, they went up to the two large rooms, which contained the best and richest furniture. They could not sufficiently admire the number and beauty of the tapestry, beds, sofas, cabinets, brackets, tables and look glasses, in which you can see it on foot; some of them were framed with glass, others with silver, smooth and gold, the best and most magnificent they have ever seen. They ceased not to exult and envy the happiness of their friend, who in the meantime in no way deviated from looking at all these rich things, because of the impatience that had to go, open the closet on the ground floor. She was so much pressed by her curiosity that, without considering that it was very uncivil for her to leave her company, she went down a little back staircase, and with such excessive haste that she nearly fell and broke her neck. Having come to the closet door, she made a stop for some time, thinking about her husband's orders, and considering what unhappiness might attend her if she was disobedient; but the temptation was so strong that she could not overcome it. She then took the little key, and opened it, trembling. At first she could not see anything plainly, because the windows were shut. After some moments she began to perceive that the floor was all covered over with clotted blood, on which lay the bodies of several dead women, ranged against the walls. (These were all the wives whom Blue Beard had married and murdered, one after another.) She thought she should have died for fear, and the key, which she, pulled out of her hand. After having somewhat recovered her surprise, she picked up the key, locked the door, and went upstairs into her chamber to recover; but she could not, so much was she frightened. Having observed that the key to the closet was stained with blood, she tried two or three times to wipe it off; but the blood would not come out; in vain did she wash it, and even rub it with soap and sand. The blood still remained, for the key was magical and she could never make it quite clean; when the blood was gone off from one side, it came again on the other. Blue Beard returned from his journey the same evening, saying that he had received letters upon the road, informing him that the affair he went about had concluded to his advantage. His wife did all she could to convince him that she was extremely happy about his speedy return. The next morning he asked her for the keys, which she gave him, but with such a trembling hand that he easily yum ÁÁtrig alle ogeul Y ,asopse us ojid ,rovaf rop ,sçÁm otnemom nU" "it a ©Árarcreeca em o ,etnatsni la aÁB" ,asopse us a ratrig odup omoc etrefu nat ÁÁtrig ,onam al ne elbas narg nu odneimetos .luza abrah al ,otnat sartneim ,edrev abreih al y los la ovloP ed eban anu euq sçÁm adan oev oN" .ojid emnA anamreh al Y ?rtrnev neugla a sevÁ ,emnA anamreh ,emnA ,odnauc ne zev ed ÁÁtrig adigila asopse erbob al y ,errot al ed amic al a ÁÁbus emnA anamreh uS , esrasuserpa arap lazÁes anu selad ,sev sol is y ,yoh naÁrdnev euq noreitemorp em ,odnainiv nos on sonamreh sim is arim y ,errot al ed amic al a ogour ol et ,ebuS" ,Jerbmon us are ese ,eurqroP "emnA anamreh" .ojid el y anamreh us a ÁAmall ,alos abatsé odnauC .sçÁm otnemom nu in oreP ,aroh ed otrauc oidem" ,draeB eulB ÁÁidnospser ,yod eT" .senoicaro sim riced arap opmeit ed ocop nu emad" ,samirgÁl ne soda±Áab sojo sol noc olodnÁÁrim( alle ÁÁidnospser ,rirom obed euq edseD" .zev al a" ,ojid ,aro±Áes ,rirom sebed" facor reiuqlauc euq orud sçÁm nÁzaroc nu aÁnet draeB eulB orePÁ ;alle are etsirt y asomreh nat ,acor anu odittered aÁrbah allE ,etneidebosed sçÁm aÁres acun euq odneitemorp ,otneiminteperra oredadrev nu ed songis sol sodot noc nÁdrep us ÁÁgor el y osopse us ed seip sol a ÁÁorra es otse erboS .ÁÁla etsiv euq serejum sal ertne ragul ut sçÁÁramot y sçÁÁrevlov ,aro±Áes ,neib yuM ?onçÁ ,oiramra le ne etsartnE .neib yum ©Ás ol" .luza abrah al ÁÁidnospser "lsebas on uTÁ" .etreum al euq adiliÁp sçÁm ,rejum erbob al ÁÁtrig , "©Ás oN" "zevall al ne erqnas yah ©Aug roPçÁ" :asopse us a ojid el ,otneta yum ÁÁredisnoc ol euq ,draeB eulB ,evall al elreart a adagilbo oiv es ,etnaleda aicah y sçÁrta aicah sotneimeicntocna soirav ed s©ÁpseD .otaidemni ed emreart arap" ,draeB eulB ojid ,allaf oN" .asem al erbos abirra odajed eh ol" ,alle ojid ,obeD" "?otser le ertne oiramra im ed evalc al se oNçÁ" :l©Á ojid "l©ÁuQçÁ" .odasap ah ©AuQ "Anne, sister Anne, do you come to someone?" And sister Ana replied: "I don't see more than a cloud of dust in the sun, and green grass." "Low ramid," said Blue Beard, "or you will". " "I'm going," he replied his wife, and then she shouted: "Anne, sister Anne, don't you see anyone coming?" "I see," Sister Anne replied, "a big cloud of dust that brings us closer." "Are my brothers?" "Oh, not my dear sister, I see a sheep's back." "Willn't it go down?" The blue beard shouted. "A more moment," said his wife, and then she shouted, "Anne, sister Anne, do not you see anyone to come?" "I see," she said, "two riders, but they are still a great exit." "May God be praised," replied the poor wife happily. "They are my brothers, I will make them a sign, so I can get hurried." Then the blue beard was so strong that he made the whole house tremble. The anguished woman descended, and she threw herself at her feet, all in the harsh, with her hair around her shoulders. "This means anything," said the blue beard. "You must die!" Then she, teaching her with one hand, and raising the sword with the other, she prepared to hurt her head. Poor sign, getting closer to him, and looking at him with dying eyes, asked him to allow him a small moment to recover. "No, no," he said, "Company that to God," and he was ready to attack. At this same moment there was such a strong blow at the door that the blue beard made a sudden stop. The door was open, and two riders entered. Draw their swords, they ran directly to the blue beard. He knew that they were brothers of his wife, one Arrión, the other a musketeer; For him to run immediately to save himself; But the two brothers persecuted him and surprised him before he could reach the steps of the porch. Then they ran their swords through his body and left him dead. The poor wife was almost as dead as her husband, and there was no Ex. 3022.
